

Federal Management Regulation

§ 102-75.675

§ 102-75.645 What responsibilities do landholding agencies have concerning properties to be used for public park or recreation purposes?

Landholding agencies must cooperate to the fullest extent possible with DOI representatives in their inspection of the property and in furnishing information relating to the property.

§ 102-75.650 When must DOI request assignment of the property?

Within 30 calendar days after the expiration of the 30-calendar day period specified in § 102-75.640, DOI must submit to the disposal agency an assignment recommendation along with a copy of the application or inform the disposal agency that a recommendation will not be made for assignment of the property.

§ 102-75.655 What does the assignment recommendation contain?

Any recommendation submitted by DOI must provide complete information concerning the plans for use of the property as a public park or recreation area, including—

- (a) Identification of the property;
- (b) The name of the applicant;
- (c) The specific use planned; and
- (d) The intended public benefit allowance.

§ 102-75.660 What happens if DOI does not approve any applications or does not submit an assignment recommendation?

If DOI does not approve any applications or does not submit an assignment recommendation to convey the property for public park or recreation purposes, the disposal agency must proceed with other disposal action.

§ 102-75.665 What happens after the disposal agency receives the assignment recommendation from DOI?

If, after considering other uses for the property, the disposal agency approves the assignment recommendation from DOI, it must assign the property by letter or other document to the Secretary of the Interior. The disposal agency must furnish to the landholding agency a copy of the assignment, unless the landholding agency is also the disposal agency. If the recommenda-

tion is disapproved, the disposal agency must likewise notify the Secretary.

§ 102-75.670 What responsibilities does DOI have after receiving the disposal agency's assignment letter?

After receiving the disposal agency's assignment letter, the Secretary of the Interior must provide the disposal agency with a Notice of Proposed Transfer within 30 calendar days. If the disposal agency approves the proposed transfer within 30 calendar days, the Secretary may proceed with the transfer. DOI must take all necessary actions to accomplish the transfer within 15 calendar days after the expiration of the 30-calendar day period provided for the disposal agency to consider the notice. DOI may place the applicant in possession of the property as soon as practicable to minimize the Government's expense of protection and maintenance of the property. As of the date the applicant takes possession of the property, or the date it is conveyed, whichever occurs first, the applicant must assume responsibility for care and handling and all risks of loss or damage to the property, and has all obligations and liabilities of ownership. DOI must furnish the disposal agency two conformed copies of deeds, leases, or other instruments conveying property under 40 U.S.C. 550(e) and related documents containing reservations, restrictions, or conditions regulating the future use, maintenance or transfer of the property.

§ 102-75.675 What responsibilities does the grantee or recipient of the property have in accomplishing or completing the transfer?

Where appropriate, the disposal agency may make the assignment subject to DOI requiring the grantee or recipient to bear the cost of any out-of-pocket expenses necessary to accomplish the transfer, such as for surveys, fencing, security of the remaining property, or otherwise.
